

Phone calls asking when the petition will be brought to the floor.

Hi, may I speak with (insert MLA's name here) please?

I would like to know when will the petition for redress of grievances that was delivered in person to the agents of MLA Jeremy Cockrill on October 11, 2024 be put to the floor.

(if it has not been put to the floor)

I would like to know when the petition for redress of grievances will be put to the floor especially since it has been connected to high treason complaints against premier Scott Moe with the Battlefords RCMP.

I want to know what is the reason for the delay of a petition that is within the exclusive powers of the legislative assembly of Saskatchewan to deal with.
